ALUMINUM BIN STICK

This well designed reaching tool has proved itself in Snack Food locations across the USA and Canada!

Ideal for bringing down boxes off of tall stacks, mezzanines, and loaded trucks.

- Improve your product quality and reduce damage by avoiding dropped or falling cases
- Avoid back and shoulder injuries with less ladder climbing risk
- Easily store the bin stick using the hook on the back
- Light weight aluminum construction
- Holds both large and small boxes
- Slip resistant handle

72" Tall
