

CHAIR BAR

Model #CBR-A (for the assembly required sofa displays)

Model #CBR (for the fully assembled sofa displays)

Model #CBR-HD (for the heavy-duty sofa display)

The chair bar is an excellent way to effectively display a chair on any of our sofa displays. Provide customers with more product package options, using less of your valuable showroom floor space.

- Overall dimensions: 47" long
- Easy setup, no fasteners, clamps or drilling required
- Easy to install on any new or existing display
