

Store space is limited . . . Make the Most of It!

# 5-SHELF MOBILE DISPLAY RACK

Model #4821-5S

Convenient and easy to use, this display is ideal for supermarkets and discount stores.

Store managers like the mobile feature, and will welcome placement in their stores.

- Five shelves: 46" wide x 21" deep
- Shelves have 4" back and 2" front
- Shelves adjust every 2"
- 4" swivel casters for easy rack placement
- Extra shelves are available, #S042216

# 3-SHELF MOBILE DISPLAY RACK

Model #4821-3S

This lower-profile rolling rack allows visibility over the top shelf for store employees.

Gain extra space in store aisles and increase impulse sales.

- Dimensions: 47" wide x 51" tall with 21" deep shelves
- One dip shelf 46" wide x 7" deep
- 3" swivel casters for easy rack placement
- Shelves adjust every 2"
- Shown with optional dip shelf, #DS042316
