

SNACK PAIL DISPLAY

This design keeps the pails neat and organized in the store, while still allowing great visibility and easy shopper selection! This display holds 4 vertical rows of pails. The pails are easily accessed by the customer by lifting them from the top.

Store Managers will welcome this in to their stores, for its compact footprint and attractive presentation.

- Ideal for popcorn, caramel corn, pretzels, or any other type of snack.
- Several display models are available for different sized containers.
- Header sign holder.
