WALMART 4x4 SHOP AROUND DISPLAY

Model #4848SA-WM-8S2D58S-WSH

This updated 4x4 shop around conforms to Walmart's latest brand standards. It's a great sales tool that will get your brand into more Walmart stores!

- Includes the wire frames, that hold the Walmart plastic price signs on top.
- Fits on a standard 48" x 48" plastic pallet.
- Holds 4 printed side signs on the 4 corners of the display as shown.

- Dimensions: 47.5" x 47.5" x 48" tall, not including the top signs.
- Adjustable wire shelves give you great flexibility for almost any size product.
- Includes two 46" wide dip shelves.
- Each shelf includes a channel on the front for price tickets or sign strips.
- Easy to assemble.
- Quality construction for long lasting service.

**Also works well
in other large
supermarkets
and club stores.**
